SEG™ 30 SEGMENTED BACKPACK

S | E | G™

SEGMENTED ORGANIZATION POCKETS

LABELLED COMPARTMENT TABS

EXTERNAL ACCESS LAPTOP POCKET

WATER BOTTLE POCKET ON SIDE

PRODUCT DESCRIPTION:

Built for epic days or short trips, the SEG30 is maximum organization in a minimalist design. Access the full volume of the bag through the segmented zipper pockets - organizing items by type, day, or activity. Separate large items or dirty clothes by stowing them in the oversized clamshell pocket. Additional organization includes an external-access padded laptop sleeve and water bottle pocket. *Patent(s) pending*
